Cultural Heritage Incubator

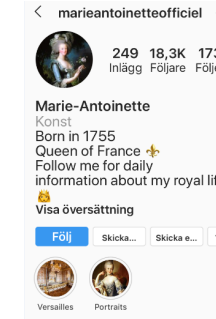

- Operated by the Swedish National Heritage Board, Uppsala University and Gotland (Regional) Science Park.
- The objective is to facilitate innovation and entrepreneurship in the field of cultural heritage by providing an environment where new products and services can be developed and tested.
- Financed by European Regional Development Fund, The Swedish Agency for Economic and Regional Growth, Region Gotland, The Swedish National Heritage Board, Uppsala University and Science Park Gotland
- There are two main activities within the Incubator:
 - A one year incubator program
 - Innovation camps, for example **Hack for Heritage**.
